### INFORMATION ABOUT VITAL REHABILITATION

Vital Rehabilitation has expanded into Chicago's Lakeview Neighborhood, and is currently hiring full time, part-time, and PRN's to join our growing team. Flexible schedules with opportunity to work closely with other rehabilitation disciplines and hospital personnel.

PRN's would be needed on an on-call basis to provide vacation coverage for both inpatient/outpatient services.

Since 1995, Vital Rehabilitation has been a provider of physical, occupational, and speech therapy with outpatient clinic locations throughout Chicago and the suburbs.

Vital is dedicated to providing multi-disciplinary rehabilitation services for both adults and pediatrics in a variety of clinical settings, including inpatient acute and home health.
